

Families and Schools Together

F.A.S.T.

Empowering families to help their children succeed

F.A.S.T. is an eight-week program designed to strengthen families by building relationships and communication skills, as well as by improving children's behavior and academic performance. Parents will become empowered through support from staff and other parents. This program is **FREE** to Genesee County families with at least one child in elementary school.

At F.A.S.T., your family will enjoy:

- A free meal
- Games
- Family activities
- Prizes
